University of Central Punjab

PROFILE

I am a very passionate person with a solid understanding of programming languages and modern software tools. I'm seeking a role in forward thinking organization where I can contribute to its success while continuously developing my own skills. I enjoy working in a team setting and like collaborating with varied teams to build effective and impactful software solutions.

WORK EXPERIENCE

- Salcon Tech (Telecommunication) AUG 2024 - NOV 2024
 - Learned to speak clearly, confidently, and professionally with customers.
 - Understood customer needs and provided accurate, helpful responses.
 - Balanced multiple calls and tasks efficiently.
 - Worked with team to achieve daily and weekly performance targets.
- Ideoversity Training Institute Arfa Tower 2023 - 2024
 - Completed a one-year internship focused on front-end and full-stack web development.
 - Gained hands-on experience in HTML, CSS, JavaScript, Bootstrap, ReactJS, and MongoDB.
 - Developed responsive web pages and interactive user interfaces using modern frameworks.
 - Strengthened problem-solving and project-building skills through practical training and teamwork.

PROJECTS

- Maze Runner Game
 - A console-based game where players create and navigate a custom maze. Supports directional movement, input validation, maze saving to file, and dynamic memory handling. Goal: reach 'G' from 'S'.
- Library Management System
 - A console-based application for managing books using Linked List, BST, Hash Table, and Priority Queue. Supports adding, removing, and searching books by title or ISBN, issuing books, and tracking the most issued book. Integrates multiple data structures for efficient operations and real-time updates.
- Dine In
 - A full-stack restaurant web app built using HTML, CSS, PHP, and MySQL.
 - Features include online food ordering, advance table reservations, a mini admin panel for managing orders and bookings, and automated email notifications.
 - Focusing on responsive design, backend integration, and real-time communication.
